Systems Immediately Subject to 30-Year FSRP Formulation Requirement

These systems had amortization periods above the applicable threshold (40 years prior to September 1, 2021 and 30 years thereafter) for three consecutive annual actuarial valuations (AVs), or two consecutive non-annual AVs. An FSRP must now be developed under the new law, **targeting 30 years by Sept. 1, 2025**, and must be developed by the public retirement system and the associated governmental entity in accordance with the system's governing statute.
